

	3DEXPERIENCE SOLIDWORKS Standard	3DEXPERIENCE SOLIDWORKS Professional	3DEXPERIENCE SOLIDWORKS Premium
– Part & Assembly modeling	•	•	•
– 2D Design	•	•	•
– Productivity Tools	•	•	•
– Design Reuse and Automation	•	•	•
– Interference Check	•	•	•
– Manufacturability Checks	•	•	•
– Advanced CAD file Import/Export	•	•	•
– Xtended Reality (XR) Exporter	•	•	•
– CAD Standards Checking (Design Checker)	•	•	•
– Automated Tolerance Stackup Analysis (TolAnalyst)		•	•
– Design for Cost (SOLIDWORKS Costing)		•	•
– Reverse Engineering (ScanTo3D)		•	•
– Advanced Photorealistic Rendering		•	•
– Advanced Surface Flattening			•
– Pipe and Tube Routing			•
– Electrical Cable and Wiring Harness Routing			•
– Rectangular and Other Section Routing			•
– Time Based Motion Analysis			•
– Linear Static Analysis for Parts and Assemblies			•
– Parametric Modelling in the Cloud (xDesign)	•	•	•
– Subdivision Modelling in the Cloud (xShape)		•	•
– Data Access and management in the Cloud	•	•	•
– Product Lifecycle Management in the Cloud	•	•	•
– Collaboration in the Cloud	•	•	•
– Governance in the Cloud	•	•	•
– Training and Support	•	•	•

Addonix Technologies Pvt. Ltd.

702/703, Vakratunda Corporate Park | Off Aarey Road | Vishweshwar Nagar |

Goregaon (East) | Mumbai 400 063 | India
